Dear Parent/Guardian,

The use of web based educational resources has risen steadily over the last decade and are increasingly being used by teachers across Queensland to improve student learning outcomes.

Our school and teachers make decisions about the best technology to meet the needs of our students. Sometimes it is beneficial for students to utilise services provided by third party web based providers. Taranganba State School wishes to utilise the third party web based service provider/s listed below to aid students learning. For your student to use the service the school will need to register them as a user.

Registering with these providers requires student personal information to be disclosed to the provider of the service. In the case of the services outlined below they are private companies that are hosted onshore in Australia. Registration may include disclosing the following information about your student:

- First name (personal information)
- Middle name (optional)
- Surname (personal information)
- Date of Birth (personal information)
- Gender (personal information)
- Unique ID (optional - MIS ID or Student ID)
- Year Level

We need your permission for the registration and use of this site by your student.
